About the 2025 Fall ~ Winter Seasonal Program Overview

It's that time of year once again—time to place your order for the seasonal selection of popular Fall ~ Winter flavors that drive incremental sales!

Items labeled as **“Seasonal”** must be ordered by the **May 16th deadline**.

“Everyday” items should only be ordered by the deadline if they are purchased exclusively during this seasonal window and not on a regular basis throughout the year.

For those who purchase “Everyday” items year-round, please continue to order based on inventory needs. You may wish to increase orders for certain items that see higher demand during the peak selling season.

As always, your Bake’n Joy Sales Representative will assist you in placing a thorough and accurate order.

Wishing you a successful Fall season!
