Bake'nJoy®

Boston Coffee Cake was founded in 1992 on the simple premise of baking the best coffee cake there is. The Original Coffee Cake recipe came from Nana Esther and has been passed down for generations.

Today we are proud to make it for you to enjoy. Boston Coffee Cakes are sold in retail grocers throughout New England in its distinctive red and gold box and online through a comprehensive mail order program.

By 1996 Boston Coffee Cake expanded to a 6,000 square foot facility. The company was acquired by Bake'n Joy Foods in 2009 and now bakes coffee cakes and other items in a state-of-the-art 11,300 square foot bakery, baking up to 12,000 cakes each day!

Boston Coffee Cake's mission is to provide our customers with the best tasting baked goods to share with family, friends and business associates.

*Celebrating 30 years
of sweet success!*

- Fully baked – just label and merchandise.
- Eye-catching labels included in each case; perforated for placement flexibility.
- Each case contains eight boxed.
- The trendy craft-style cake boxes are ideal for private labeling, and the crystal clear window on top showcases the coffee cakes beautifully.
- Be creative with merchandising! Use decorative ribbon or string or other crafty items to personalize your cakes. (See our favorite example to the left, below!)

Easy to merchandise! Make the coffee cakes truly your own by adding your unique touch. We like ribbon or string for a homey rustic look - even better, attach a knife and napkins for take-away sales!
